A total of 58 students of Telangana Social Welfare Residential School (girls) fell ill after eating dinner at the school on Monday night.

Later, speaking to mediapersons, he said many residential schools for SCs, STs and minorities were functioning without any permanent buildings, and Chief Minister K Chandrasekhar Rao should focus on improving such schools. He suggested that staff from the school should first taste the food themselves before serving it to the students. He demanded action against whoever was responsible for it.
