Title:	26 students of residential school suffer food poisoning in Amravati, Maharashtra			
Action By CSU, IDSP -NCDC	Information communicated to DSU – Amravati, SSU- Maharashtra			

A disturbing event unfolded today as 26 students from the Eklavya Model Residential School in Wadgaon, Achalpur taluka in Amravati district, were poisoned during a breakfast party. In response to the incident, all the affected children were immediately taken to the sub-district hospital in Achalpur for medical treatment.

As per the reports in Maharashtra Times, the Eklavya Model Residential School in Wadgaon has an enrollment of around 400 students, comprising both local residents and boys and girls. This morning, around 25-26 students began to suffer from symptoms like nausea, vomiting, and diarrhoea after consuming snacks. Swift action was taken, and they were immediately taken to the sub-district hospital in Achalpur for medical attention.
