Title:	70 kids fell ill after eating mid-day meal in Chamarajanagar district, Karnataka			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Chamarajanagar, SSU – Karnataka			

As many as 70 students of government-run higher primary school in Vadakehalla village of Hanur taluk of Chamarajanagar district fell sick on Monday after consuming mid-day meals. According to the authorities, a dead lizard was found in sambar served to the students.

There are 170 students in the school. Of them, 90 students attended the classes on Monday. Nearly 70 students started vomiting after consuming the mid-day meal on Monday afternoon. Immediately, the teachers and headmaster Kolandairaj rushed the students to the nearest Kowdalli Primary Health Centre.

“As a precautionary measure, children were rushed to the nearest primary health centre. Now they have been discharged. They were sent home after providing necessary treatment,” Hanur taluk block education officer C S Swamy told TOI.
