Title:	Five school students in Kerala tested positive for H1N1 virus			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Kasargod, SSU-Kerala			

Five students of a centrally-administered residential school near here have been tested positive for H1N1 virus while 67 others with suspected infection kept under observation, a health official said Sunday. The five - four girls and one boy - were students of Jawahar Navodaya Vidyalaya near here. "Everything is under control we would like to tell everyone that there is no reason to panic," he said.
