Title:	People admitted to hospital due to vomiting and diarrhoea in Bidar, Karnataka			
Action By CSU, IDSP -NCDC	Information communicated to DSU – Bidar, SSU- Karnataka			

Around 27 people are sick due to vomiting and dysentery in Belakera village of Chitaguppa taluk and are being admitted and receiving treatment at the community health center of the town. Out of these 8 people have been sent to Bidar Government Hospital for further treatment.

Most of these cases were found in the new barangay of the village. Apparently, consumption of contaminated drinking water is said to be the cause of the incident. The drinking water has already been sent for testing and the exact reason will be known after receiving the report. Vijayakumar Hariskar has given information.

Those admitted to the hospital are being treated and some have recovered. Some others have been sent to the district hospital. Precautionary measures have been taken in the village. Health workers are giving first aid to the people in the village itself and creating awareness. On Sunday, officials and people's representatives rushed to the hospital and the village to take stock of the situation due to the worsening of vomiting and dysentery.
