Title:	2 die of diarrhoea, 10 others critical in Balaingir village, Odisha			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Balangir, SSU- Odisha			

After a few days' break, diarrhoea has spread its wing in western Odisha with two people dying and 10 others undergoing treatment in a hospital in Balangir district.

According to information, diarrhoea has spread in Dedarha village under Khaprakhol block in Balaingir district. So far, two villagers have died and more than 10 villagers are undergoing treatment at the Patnagarh Sub-Divisional Hospital. The waterborne diseased has been impacting villagers for the last five days.

Villagers are in a state of fear as the number of affected people is rising by the day.

Villagers have demanded that a special medical team be deployed in the village and other required measures to check diarrhoea spread at the earliest.

Save Water- Save Life, Save a tree- Don't print unless it's really necessary!
