Title:	Unknown disease claims two lives in Koraput district, Odisha			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Koraput, SSU- Odisha			

Panic gripped the locals of Ganel village under Machkund Police limits in Koraput district after an unknown disease claimed two lives.

According to sources, two residents of the village had died earlier after being affected by the unidentified disease. One more villager was taken ill after he complained of the same symptoms.

The disease triggered panic among the residents. According to the residents, the doctors have allegedly failed to trace out the root cause of the illness let alone take any measures to contain it.

Save Water- Save Life, Save a tree- Don't print unless it's really necessary!
