Title:	Dead lizard found in buttermilk at wedding function in Rajasthan, 16 hospitalised in Bharatpur			
Action By CSU, IDSP -NCDC	Information communicated to DSU – Bharatpur, SSU- Rajasthan			

Sixteen people were admitted to a hospital after having buttermilk at a wedding function in Bharatpur's Atavi village in the Pahari police station area. A lizard was found in the buttermilk.

The 16 people also include the bride and groom as well as five children.

The incident took place on May 22 when the bride was being bid farewell after her marriage the previous day. Before leaving, the newly-wed couple and the relatives present were served buttermilk. All the 16 people who had the buttermilk got food poisoning and were admitted to the hospital.

The Block Chief Medical and Health Officer, Mayank Sharma said, "All the people were admitted to Sikri Hospital for treatment. All of them have been discharged."
