Title:	3 students fall sick after drinking contaminated water in Bhadrak School, Odisha			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Bhadrak, SSU-Odisha			

At least three students, including two girls of Bhadrak Zilla School were taken ill allegedly after drinking contaminated water in the school yesterday.

Sources said three Class 7 students drank water after consuming Mid-Day Meal (MDM) in the school yesterday. Soon after, they complained of uneasiness. Their condition further worsened when they reached their house last evening.

Later, the three kids were immediately rushed to a nearby hospital. However, their health condition was stated to be stable following first aid.

Save Water- Save Life, Save a tree- Don't print unless it's really necessary!
