Title:	12 children fell ill after eating poisonous fruits in Himachal's Una			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Una, SSU- Himachal Pradesh			

Twelve children of migrant labourers have been admitted to the regional hospital in Una district of Himachal Pradesh after they complained of vomiting and stomach ache, officials said on Saturday.

The children living with their families in Lalsinghi village swallowed poisonous fruits from a nearby forest when their parents had gone to work last evening.

The children were aged between three to nine years, officials said.

Dr Vikash Chauhan, a paediatrician at the hospital, said when the children were brought to the health facility their condition was critical.

After the proper medication, they are stable now, he added. Una police have started an investigation into the matter.
