Title:	At least 150 workers of two firms fell ill due to food poisoning in district Vadodara, Gujarat			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Vadodara, SSU-Gujarat			

At least 150 workers of two firms located on the outskirts of the city suffered food poisoning in 24 hours ending Wednesday evening. About 120 workers of Shankar Packagings Limited, a firm based in Waghodiya GIDC, were taken to Parul Sevashram Hospital on Tuesday afternoon with complaint of food poisoning.

Hospital sources said majority of them were discharged on Tuesday itself after medication. Nearly 35 others remained hospitalized on Wednesday of whom four were being treated in intensive care unit (ICU) of the hospital where their condition is said to be stable. The workers had started complaining of uneasiness after they had lunch at the canteen of the firm. Vadodara's chief district health officer Dr Uday Tilawat said condition of all those admitted at Parul Sevashram Hospital is stable.

In another incident, about 45 employees of coach manufacturing firm Bombardier, which has its manufacturing unit at Manjusar GIDC in Savli, also complained of uneasiness and vomiting on Tuesday night. "According to information, the employees started complaining of uneasiness after having their dinner at the firm's canteen

facility," said Tilawat, adding that only seven of them required hospitalization while others were provided treatment at nearby health centre by the firm.

"Of the seven, five have been discharged while condition of two others is also stable," he said.
