Title:	At least 450 fell sick, 50 hospitalised in Rajasthan's Dausa			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Dausa, SSU- Rajasthan			

At least 450 persons rushed to OPD and 50 were admitted at Dausa district hospital after they complained of diarrhea and vomiting in the intervening night of Tuesday and Wednesday.

“The incident happened in Rambas village of Dausa district where people had gathered in large numbers to consume food,” said Dr Sunhash Biloniya, chief medical health officer, Dausa.

The people from the village and nearby areas had gathered on Tuesday to attend a feast (mrityubhoj) offered in memory of a person, who had died two days ago. But, on Wednesday morning, people who had eaten the food started complaining of diarrhea and vomiting. Since the number of persons taken ill was quite high, the health department organised an OPD at the village with doctors from nearby community health centres.

“We have admitted 50 persons who were suffering from diarrhea and vomiting. No death has been reported. The situation is under control. Our teams are camping in

the affected area to provide on spot treatment to the patients,” said Dr Deepak Sharma, principal medical officer, Dausa district hospital.

The health department’s food safety officers collected samples of the food served to the people to check if the food was contaminated. They have also collected samples of water which they had consumed.
