Title:	Three of family die after eating wild mushroom in district Mamit, Mizoram			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Mamit, SSU-Mizoram.			

A 35-year-old man and his two sons died while four others were hospitalised after eating wild mushroom in Mizoram-Tripura-Bangladesh border Mamit town, police said on Friday.

Biakrinawma (10) died in Mamit district hospital last night. His brother Malsawmtluanga (8) died this morning and their father Saikhuma this afternoon, they said.

Saikhuma reportedly collected wild mushroom from the jungle on Monday and they ate it for dinner after which the family and a guest began suffering from stomach pain and loose motions, the police said.

Saikhuma's wife Ramdinmawii (34), their daughters — Saihmingthangi (12) and Miriami (3) — and their guest V. L. Hriata (20) were brought to Aizawl by helicopter on Friday and their condition was stated to be critical, police said.

Save a tree. Don't print unless it's really necessary!
