<b>Title:</b>	<b>Eight test positive for dengue in district Bharatpur, Rajasthan</b>			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Bharatpur, SSU- Rajasthan			

Eight persons have been tested positive for dengue in Tauhari village of Bayana area in Bharatpur district. Moreover, viral fever has also taken the village in its grip.

The cases of dengue were resurfaced in the area some 10 days ago when patients complained of fever. The situation has aggravated when more persons were found suffering from the same health related problems. The test reports of over 10 people are still pending.

After the cases of fever were reported in the area, the health department officials swung into action. They surveyed the entire area and helped them getting the treatment. The patients are undergoing treatment in government hospital of the area.

The village has 200 houses and almost all of them were affected due to cases of fever. A villager Ramniwas said that in the village, there are around 100 patients who had fallen ill.

Save a tree. Don't print unless it's really necessary!
