Title:	Man dies of swine flu in district Prakasam, Andhra Pradesh			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Prakasam, SSU-Andhra Pradesh			

A 52-year-old man, who had tested positive for swine flu, succumbed to the illness at a corporate hospital here, according to Prakasam District Medical and Health Officer J. Yasmin.

Battling for life since April 8, Narayana Reddy died on Sunday, she told reporters after swab samples sent to the Sri Venkateswara Institute of Medical Sciences(SVIMS) tested positive for swine flu.

He was also suffering from co-infections. With this, the toll in the district had risen to seven since January, she said. As many as 20 of the 42 swab samples sent to the SIVMS tested positive and 13 of them had recovered, Dr. Yasmin said.
