Title:	Steps to arrest spread of gastroenteritis in district Bidar, Karnataka			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Bidar, SSU-Karnataka			

Health officials have launched a series of measures to arrest the spread of gastroenteritis after 25 cases were reported from Humnabad taluk in three days.

Doctors in the taluk hospital admitted these patients from 11 villages and parts of Humnabad town in the last few days. The patients are undergoing treatment and are said to be out of danger. A team of officials inspected water sources in those villages on Wednesday and instructed officials of gram panchayats and the Humnabad Town Municipal Council to clean storage tanks, fix leaks and supply chlorinated water.

💧 Save Water- Save Life, 🌳 Save a tree- Don't print unless it's really necessary!
